

# MyPL@Edu – Developing a Course

## Principal Networks Tamworth and Coffs Harbour

New course applications for non-registered and developed courses through MyPL@Edu are now reviewed and approved by system administrators based in the four administrative centres. All schools in the networks listed at the bottom of this page belong to the administrative centre: **Principal Networks Tamworth and Coffs Harbour**. More information on administrative centres was provided in Schoolbiz week 9 term 1 21<sup>st</sup> March 2014.

Each principal network within the Tamworth/Coffs Harbour area has been allocated a **network TAG** to enable the assigned administrators to quickly identify and process course submissions. It is important that course developers use the network tags and follow this flow chart for efficient course approval. Principals may delegate developer and deliverer roles to executive (through AMU). Please allow time for approval when developing a course.

Tamworth/Coffs Harbour NETWORK TAGS		Hunter - HUN	Maitland - MAI	Richmond Valley - RIC
Barwon - BAR	Coffs Harbour - COF	Lake Macquarie East - LME	Mid North Coast - MNC	Tamworth - TAM
Callaghan - CAL	Great Lakes - GRE	Lake Macquarie West - LMW	Newcastle - NEW	Tweed - TWE
Clarence Valley - CLA	Hastings - HAS	Lismore - LIS	Northern Tablelands - NOR	Wollemi - WOL
